

Real Men like Pink...

Admit it – you love to be pampered, looked after and grabbing a little time back just for you.

At Pink Ginger Hairdressing we offer a service that we have designed especially for men – with convenience and luxury combined.

All of our services include an amazing cleanse and head massage.

A haircut – we all need it at some point so why not enjoy it. Come in for a tidy up, new style or just blend out your greys.

Our stylist offer a complimentary consultation so give us a call for a chat.
